Denver Gold Forum 2017

The four day invitation-only event for Gold miners to present to Analysts and Institutional Investors was held Sunday Sept 24 - Wednesday Sept 27, 2017. Normally in Denver, this year it was at the Broadmoor hotel in Colorado Springs, CO.

Nine of the GSA Top 10 stocks presented. GSA Editors also met with each management team in private 30 minute one-on-ones. We have integrated what we learned from these meetings into our notes on the presentations below. Accordingly, some of what we write may not be in the actual videos...not because it's not public information, but there was simply not enough time for the Company to cover everything in its 15-20 minute time window.

A company list for the Forum is here: <http://www.denvergoldforum.org/dgf17/dgf17-cwebcasts/> Presentations by the GSA Top 10 and our take-away from each, including our private meetings, are below. Please watch the webcast first to understand our notes in context:
